Please Add 50c for Shipping Per Order.

### SHIPPING TO START IN APRIL AS SOON AS WEATHER PERMITS

All plants are guaranteed to arrive in good condition. Please write us immediately if something is wrong with your order. Only in that case will be able to make adjustments.

---

Wonderful comments on the excellent quality of our plants and the perfect condition upon arrival have been pouring in steadily. Therefore, you may order with full confidence, knowing that expert care is taken in shipping.

---

#### A TIP!

**Grow them under fluorescent lights. You will be amazed at the results. Better plants, many, many more blooms. Old standard: 2 40-watt tubes—better yet, 2 85-watt tubes—12 to 18 inches above pot rims. 12 to 18 hours per day. TRY IT!**

# SAINTPAULIAS

| if ordered singly                | 85c |

**KAPSULATE.** Sodium Selenate (spells death to Mite) in Capsules. Just place in soil—will dissolve through watering. Controls MITE and other insects on Violets and various plants. Careful, poisonous.

|                         |                                  |     |
|-------------------------|----------------------------------|-----|
| 12 capsules per packet. | 50c with violet order, otherwise | 75c |
|-------------------------|----------------------------------|-----|

**ALUMINUM WINDOW TRAYS.** Exceptionally handy, sturdy light weight—green. Fits any window sill. To provide the necessary humidity, fill with pebbles, or vermiculite, or sand. Keep constant water level. Holds from 4 to 6 Violets. **\$2.20**

### Do's

- Furnish drainage.
- Watch for insects and diseases.
- Feed once a month.
- Wash off leaves weekly with luke-warm water.
- Furnish humidity.
- Water your plants when they need it.
- Experiment until successful.
- Take off damaged leaves.
- Take off old flowers and stalks.
- Provide ventilation.
- Give them enough light.
- Try different exposures if no blooms.
- Use sterilized soil, high in organic matter.

TRY NEW VARIETIES.

### Don'ts

- Don't overwater.
- Don't overpot. (Violets like a comparatively small pot.)
- Don't use cold water.
- Don't expose to direct sunlight too long.
- Don't subject to sudden drastic temperature changes.
- Don't expose to temperatures of less than 60 degrees.
- Don't expose to drafts.
- Don't use heavy soil.

DON'T GIVE UP!

APRIL 15th: NORTH, MIDDLEWEST, WEST  
SOONER IF WEATHER PERMITS**

While visiting our beautiful Washington, be sure to stop in at our place. We are located directly on the Washington-Baltimore Boulevard at Beltsville, just 4½ miles north of the University of Maryland. You can't miss it. We would be delighted to have you browse around and we are sure you will find it well worth your while. All the varieties listed here are usually available including some not listed. Since we sell only larger, 3" plants at the greenhouse, we have a different price set-up there.
